Plan your trip! Things to do

FBQ Museum

The Sheikh Faisal Bin Qassim Al Thani Museum is a treasure trove of Islamic art, Qatari heritage, vintage vehicles, handmade carpets, and rare coins, from four continents. Each piece weaves together the personal journey of Sheikh Faisal and the rich tapestry of global history.

Katara Culture Village

Qatar offers a potent mix of tradition and modernism. Spelt in the ancient manner, Katara is a self-styled cultural village nestled between the gleaming financial district of West Bay, and the half-moon towers of The Pearl residential neighbourhood. Bordered by a vast beach on one side, and the twin Katara Hills on the other, Katara is Doha's go-to destination for art, culture and cuisine.

Museum of Islamic Art

On a purpose-built island abutting the Corniche, Doha's waterfront promenade, the museum is home to masterpieces of Islamic art, collected from three continents. The lush MIA park next to the museum overlooks the Arabian sea, and is a favourite spot for picnics, walking, running or outdoor yoga classes

The Doha Corniche

Experience the serenity of the capital's fabled 7KM crescent, the Doha Corniche on a stroll. From the pyramid shaped Sheraton Hotel at the northern end, to the Museum of Islamic Art at the south, those two destinations are interesting enough, but it's what can be discovered in between this palm-fringed boulevard.
